CLASS OF '69

COLORS: Burgundy and Pink

SONG: Aquarius

MOTTO: "Applaud Friends, the Comedy is Over."

Put together for the Ten-Year Class Reunion.

IN MEMORY

To our friends, whom we miss terribly, we would like to dedicate a prayer and message. As we have prayed for them, let them now pray for us as we continue to lead our lives as best we can.

ONE NIGHT I HAD A DREAM

I dreamed I was walking along the beach with the Lord, and across the sky flashed scenes from my life. For each scene I noticed two sets of footprints in the sand, one belonged to me, the other to the Lord. Then the last scene of my life flashed before us and I looked back at the footprints in the sand noticing that many times along the path of my life, there was only one set of footprints. I also noticed that it happened at the very lowest and saddest time in my life. I questioned the Lord about it. "Lord, you said that once I decided to follow you, you would walk with me all the way, but I have noticed that during the most troublesome times in my life there is only one set of footprints. I don't understand why in times when I needed you most, you would leave." The Lord replied, "My precious child, I would never leave you during your times of trial and suffering. When you only see one set of footprints, it was then that I carried you."
